Saltus Grammar School
108 St. John's Rd,
Pembroke, Bermuda

A message from the Head of School:

As ever, it has been a busy, exciting and memorable school year. This year has been particularly remarkable due to Bermuda hosting the 35th America's Cup. Many of our students benefited from the Endeavor Programme and from the excitement it brought to the island. We have welcomed students from all over the globe and are now very sad to see them go. We wish all the America's Cup families the very best for the future and we want them to know that they will always be a part of our Saltus family.

September saw us return to school with excellent academic results in both our Advanced Placement and GCSE exams. We continue to be proud of our school's academic achievements. Our students have participated and won at the Science Olympics for the 3rd year running. We also held our 2nd annual Secondary Science Fair and are always in awe at the quality of projects that the students produce. We continue with our progress in STEM through our ROV challenge, our S6 Design Thinking Day, the Formula One model car and Cardboard Boat Challenge. We celebrated girls and women in ICT in April with a number of events. A S9 team won 2nd place at a national celebration of women in IT, sponsored by Connect Tech and the Bermuda Government.

Ted Staunton

This year we have forged ahead with our emphasis on 21st century skills in the curriculum and our staff spent 4 days in April honing their design thinking skills. June saw the fruits of this during our experiential sessions where students enjoyed a range of experiences from origami to crime solving. S8 students also put on an excellent History Fair, with a number of students' projects being featured in the Royal Gazette. At the annual KPMG Investment challenge, the team 'The Branson Billionaires' received the 2nd highest financial award of $6,000 which was presented by the Minister of Education.

This year's theme was Diversity and Acceptance and our student leaders organised and ran an amazing Diversity Day in the Secondary Department. The students in Primary and Secondary celebrated the theme through poetry and spoken word at the Poetry Café. 'Service to others' is part of our mission statement and this year we have continued to support local and international charities. Saltus supported this year's PAL's 'Relay for Life', the BFM MBH Breast Cancer walk (where we were winners of the Spirit Award), PartnerRe's "Dollars for Hours" programme, the Poppy Appeal for the Bermuda Legion, a mobile medical clinic in Haiti run by Feed My Lambs Ministry, the Salvation Army toy drive and the rebuilding of the St. John's church tower. Our staff walked the plank to raise money for the Spirit of Bermuda, the S1 raised money for the Cahow project and the SPCA, the S3's organized a healthy bake sale to raise money for their sponsored child, Dylan, in Peru and the S7 –S9 students collected non-perishable goods for the Eliza Dolittle Need to Feed programme. We also continue to support the fight for childhood cancer through St. Baldrick's' and Locks of Love. In our 10th year, we raised an amazing $291,000 putting us 6th in the world ranking. Additionally, this year the annual Bermuda National Trust Awards recognized Erika Powell (S4 Teacher, S4 Year Coordinator, and Class of 1998) for her work on the EY Coastal Cleanup in support of Keep Bermuda Beautiful. Saltus was presented with the School Programme Certificate for the annual beach clean-up at John Smith's Bay. This year Saltus students and their families participated in 2 beach clean-ups.

Our Athletics Department had success both locally and overseas. Of particular note was the Boys 1st X1 football team winning the Silver Championship at the CAIS tournament and the Senior Girls football team who were both the league winners and the knock-out cup winners. The Girls team ended the season undefeated! At the 32nd Annual Denton Hurdle Awards, we were represented by Chelsea Lomas, Cooper McGuire, Selah Tuzo, Nirobi Smith Mills, Zakiyah Durham and Conor White. Saltus once again was proudly represented in the final selection process with Selah Tuzo and Nirobi Smith Mills sweeping the Middle School Division and Zakiyah Durham receiving Honorable Mention in the Secondary Girls Division. All nominated athletes received a medal and certificate honoring their selection. Our Senior student athletes were all recognized at the annual Athletic Banquet with Conor White and Zakiyah Durham awarded male and female Athlete of the Year.

Our Performing Arts Department continued to thrive with a number of concerts and performances both in Secondary and Primary. Our students showcased their talents at events such as 'An Evening of Music from the Stage and Screen' and the Ruth Henderson Memorial Concert. We were also lucky enough to host some outstanding visiting concerts and workshops with Philip Lebhardt and Eric Wang. Additionally, we had a sell-out success with their modern take on a Midsummer Night's Dream while S7s and S8s also thrilled with their performance of Shakespeare Speaks. These productions create life-long friendships and camaraderie amongst the students.

Our students continue to receive local recognition for their strength of character and 9 students received Police Commissioner's Vision Awards. At the 34th Bermuda Outstanding Teen Awards ceremony, four Saltus students were presented with awards including Head Girl, Megan Zimmerer, who was named Outstanding Overall Teen. The other Saltus students presented with awards were: Amy Palmer and Robin Horsfield for Vocational Technical Arts, and Kayla Dowling for Spiritual Leadership and Community Service. The Hospitals Auxiliary of Bermuda awarded their top scholarship to Savannah Loder for "excellent grades, great academic record and hard work ethic". The Duke of Edinburgh Award goes from strength to strength with 42 students participating in the Bronze Award, 42 students participating in the Silver Award and Savannah Loder achieving her Gold Award.

Students have travelled far and wide having returned from the World Challenge trip to Nepal last August while other students visited Canada, Spain, University tours, UN trips, Performing Arts trips, Language trips and Ski trips. Students returned with exciting stories and lasting memories.

While it has been an exciting year, we are very sorry to be saying goodbye to longstanding Mathematics teacher, Mr. Alan Boardman, as he moves onto his retirement. The service and commitment he has given to the school is immeasurable. Thank you. We are very grateful to the students, the parents, the faculty and the staff for their hard work, support and dedication to the Saltus Community. The Yearbook is a visual round up of all the wonderful events we have throughout the year. We hope that you will treasure the Yearbook and use it as a visual reminder of all your school highlights.

The yearbook would not be possible without the creativity and diligence of Fiona Murdoch, Yearbook Advisor and her Yearbook team. Our particular thanks and a very sad goodbye to Cynthia Barnes, Marketing and Communications Officer. Cynthia has always been on hand to document every event and activity throughout the year.

Ted Staunton
Head of School

We would like to take this opportunity to extend our sincere thanks to our Head of School, Mr. Ted Staunton for all his dedication and diligence to Saltus over his two tenures here. We extend our best wishes to Mr. Staunton and his family as he finally gets to enjoy his retirement! He will be greatly missed.
The Saltus Leadership Team

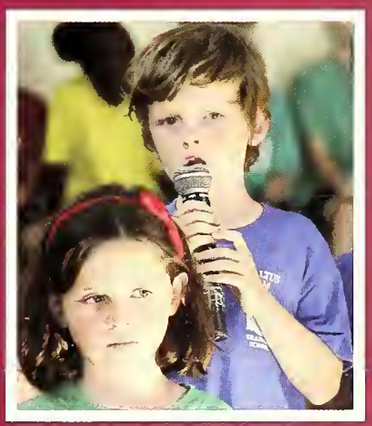
S2 Moving Up Ceremony



AH!!

Goodbye, teachers!

Nicole Carter started with us as a classroom teacher ten years ago and did a wonderful job. She then moved on to become our Reading Specialist at Lower Primary, and again has been terrific. We will miss her ready smile and professionalism.

Felicity Lawrence has been at Cavendish for 10 years and is a S1 Teaching Assistant It will be a great loss to the school. Her cheerful and professional attitude has been invaluable for the children and those she works with.

Heather Trimingham has been with us for four years. We first met Heather when she joined us as an SGY student - it seems very strange to be saying good bye to her. She was a hard-working academic with a great attitude and sense of humour. These are qualities she has most certainly brought to the table as a teacher. She has done a terrific job and we will miss her.

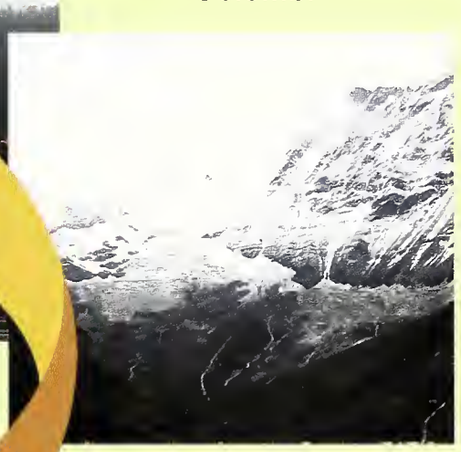
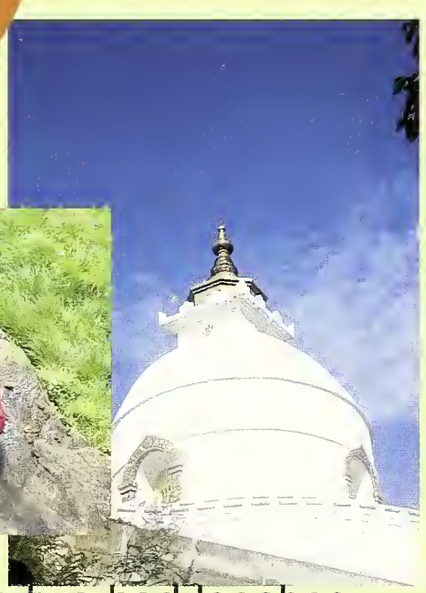
Nepal Trip

Trip Members:
Miss Strass, Miss Smith, Mackenzie Pearman, Tristan Narroway, Aiden Smith, Toriah Smith, Z'ajae Lee, Wyatt Pfenning and Talia Colombi

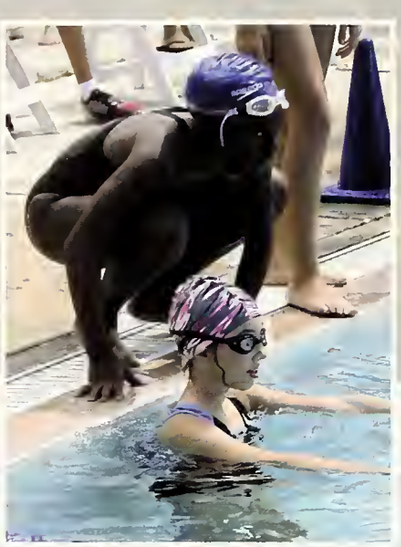


"One day we were hiking and it was very rainy and humid. Tristan and Ms. Strass had to use the bathroom but there was no tea house in sight. So we stopped in a grassy area, mind you this is our second or third day hiking. We were all waiting for them to hurry up and use the bathroom when we heard these loud screams "Ahhh the leaches, the leaches!!". We all turned around confused.



Turns out these two had leeches all on their backside! This was probably the funniest thing that happened throughout the whole trip. Imagine 8 to14 leaches on their entire body. It was definitely one of the funniest experiences of my life." -Z'ajae Lee and Toriah Smith

Swim Gala



*The Swim Gala is an annual event both showcasing our student talent and swimming skills along with providing a fun day of stress relief. This year **Darrell** was victorious taking first place with 157 points, then **Butterfield** (153), **Saltus** (135) then **Watlington** with 108 points.*

DEBATE

Rianna, Kaya and Hanna about to begin their final debate of the day.

On November 26th, the Debate Championships were held here at Saltus throughout the campus. Many teams from both public and private schools attended, such as BHS, Berkley and Somersfield Academy, along with a few independent teams, such as DDLD. The Saltus senior team consisted of (below from left to right): Hanna Percy, Kaya Vogler, Rianna Simons, Spencer Johnson, Nuno Rebelo and Ritz Wong. The team overall won two debates, losing four. However, this didn't dampen the students spirits as many of them were new to debate.

The junior team however fared much better with X'achela Robinson, Themika Thennakoon, Jonah Faira and Trent Harris winning [amount of debates]. In the end, the Saltus teams didn't make it to the finals, though both BHS's senior and junior teams won their final debates, causing them to debate against each other in the final of the day. The junior team was run and coached by debate expert, Christianna Dakin whilst the senior team was run and coached by Mrs. Dakin and Ms. Briley Habib. Overall, Mrs. Dakin and Ms. Habib were both pleased by the efforts of both teams, recognizing that they'd spent lots of time preparing and many had never debated before. For those considering doing debate, Mrs. Dakin is a wonderful mentor with years of experience who will gladly accept hardworking, diligent and strong-willed students. Debate allows you to work better in teams, do indepdent work and compete in exciting competitions to argue interesting topics. It also enhances the qualifications of a student going into university, allowing them to broaden their scope of activities in their academic career.

PUBLIC SPEAKING

Christianna Dakin reported on the Public Speaking and Debating Competition held at Somersfield Academy over several days in early March: "Our students did exceedingly well, especially considering many of them are very new to debate / public speaking. This term Rachael Ward has helped with the coaching of the middle school debate teams and should also be commended for the work she has put in with these students."

The Middle School Public Speaking Team included Themika Thennakoon (S8), JD Card (S9) and Ywione Darrell (S9) ; and The Senior School Team – Amy Palmer (SGY2). The Saltus Middle School team won Overall Middle School Public Speaking Team.

In the Debate Competition, there were two Saltus Middle School Teams. Middle School A Team -- Joanna Santiago (S7), Themika Thennakoon (S8) and Giselle Concepcion (S9) They had one win, one loss and a Bye round. The Middle School B Team -- Vincent Darrell (S7), Sana Vogler (S8) and Ywione Darrell (S9) – had two wins and a loss. The Overall Speaker Award for Debate: 1st place to Ywione Darrell (S9) and 4th place to Giselle Concepcion (S9).

Public Speaking is a great option for students wanting to showcase their speaking skills or to improve them. Like debate, you learn to work well with others and conquer possible fears of speaking publicly. For more information, see Mrs. Dakin.

African Bermudian Studies

African-Bermudian Studies Club
The African-Bermudian Studies Club will allow students to explore African and Bermudian history and culture. They will gain a greater appreciation of the contributions made by individuals of African and Bermudian descent. Students will have an opportunity to explore some of the Bermuda traditions. This club is offered term 2 at lunch times on Friday to all students with Dr. Squire in Rm 411.

Q •In my experience at African Studies, I •learned so much more than I thought I could. The detail that we went into and witnessing how far back the impact of Africans went to was amazing. It's something I highly recommend people to study and think about more often. I thoroughly enjoyed myself and the African feast we had at the end. You have to try it!

Deputy head Jon Beard said: "For the last decade or more Saltus has had a strong sports relationship with independent schools in the Toronto area, regularly visiting schools for football and basketball games. "After being accredited as a CAIS school it became a logical move to enter their annual football tournament. Having competed in two tournaments, Saltus was selected as the host for the 2016 senior girls' tournament."

The tournament involves 14 teams and will be held from October 15 to October 17, attracting more than 250 visitors to the island to play and spectate.
Games will be played at the National Sports Centre fields, the Bermuda Football Association Field and Saltus Field.

The organising committee also involves: Lesley White, teacher of PE at Saltus, Manny Faria, BSSF administrator, Chrystal Gatare, Saltus director of finance; Richard Todd, Saltus primary department PE teacher and Kelly Fisher, a former Saltus parent, who is responsible for volunteers.
Mr Beard added: "The committee would like to thank those people who have so kindly volunteered their time to assist, and to the Bermuda Tourism Authority and the many local companies who have helped in so many ways."The visiting schools are Ashbury College, Greenwood College, Havergal College, Holy Trinity School, Lower Canada College, Miss Edgars & Cramps, Rothesay Netherwood. St Clements School, St Mildred's, Standstead, The Bishop Strachan, Sacred Heart, and The Study.

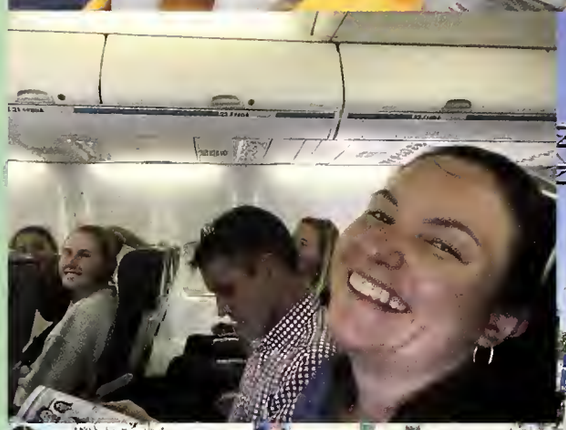
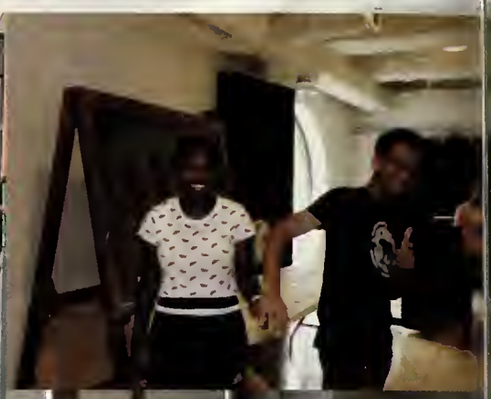
STAFF V

S STUDENT

DRAMA TRIP - CANADA



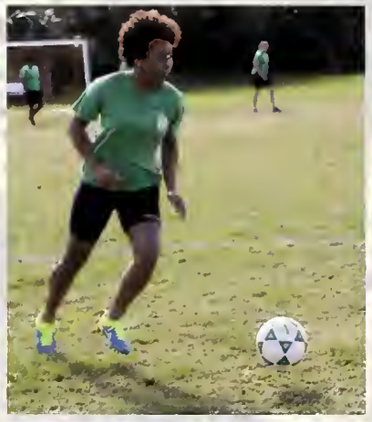


In September 2016, a number of S10, S11 and SGY1 students travelled to Canada to view and explore different plays at the world renowned Stratford Festival. The students had lots of fun exploring the town and enjoyed the five plays they saw. All in all, the experience was unforgettable in the summery weather up north this September.

UK University Trip

Our annual UK University Trip was led by Secondary teacher and university advisor, Mrs. Tanja Walker along with Mr. Tim Figureido (Head of PE) and Mrs. Fiona Murdoch (Head of Art and SGY2 Year Coordinator), and included 15 SGY1 students plus one student from Warwick Academy. They were in the UK February 7th to 15th and visited a total of 15 universities: Oxford Brookes University, Nottingham, Nottingham Trent, Leeds University, Birmingham University, University of West England, Bristol, Reading, Southampton University, Solent, Kent University, Surrey, Roehampton, King's College London and London School of Economics.

Students said that the trip was well worth it and was a lot of fun. They all saw at least one school that they are very interested in. One parent commented that her son could not stop talking about the trip and returned home with lots of valuable information on several UK Universities.



WINTER TERM

Duke of Edinburgh Bronze

Over the past weekend, 32 students – 10 from S11 and 22 from SGY1 – braved gusty winds and showers to complete their Duke of Edinburgh Silver practice expedition. There were five teams. The students were out for three days and two nights during which they camped out on the School field. They will be going for their Qualifying Adventurous Journey from the 17th to 19th of March.
Mr. Bruce Sinclair and Mrs. Kalpana Gangwani oversee the Duke of Edinburgh programme at Saltus. They were very grateful to Ms. Sarah Gray, Ms. Davina Najdowski, Mr. John Meyer, Ms. Joanna Jackson-Smith and Ms. Helen Clark for their assistance during the weekend.

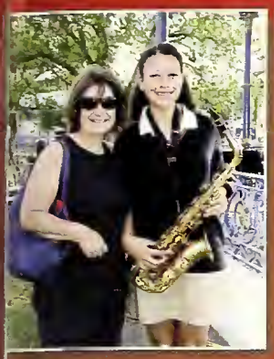
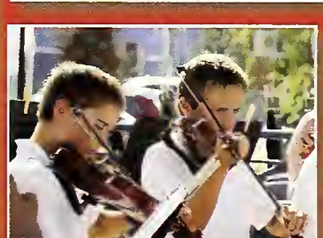
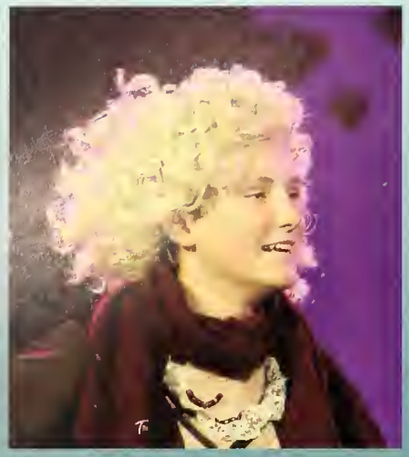
RUTH HENDERSON MEMORIAL CONCER



YAMAHA

USA





A Midsummer

The Secondary students have enthraled us with their production of Shakespeare's "A Midsummer Night's Dream" on the 1st through 4th February, starting at 7.00pm, in Alumni Hall: "The woods outside Hamilton are a busy place on this magical night! Four runaway lovers find themselves caught in the middle of a dispute between the King and Queen of the fairies, and, as if that wasn't enough, a troupe of Saltus amateur actors are trying to rehearse a play. Between these unlikely groups flies Puck, armed only with a wicked sense of humour and a love potion capable of making anyone fall for the first person they set eyes upon. What could possibly go wrong?"

FAREWELL STAFF

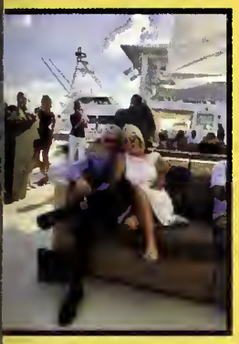
A large number of staff are leaving this year and though they will be greatly missed, they will be moving on to brighter and better futures.

Ms. Kelly
"A wise person once said to me, 'The meaning of life is to lead a meaningful life'. Stay curious. Work hard. Be creative and kind. Oh yes, and wear sunscreen."

Mr. Harman
"Dare to fail." Mr. Harman leaves Saltus after three years teaching languages in the MFL department and inspiring students with his wit, humour and good will.

Ms. Gray
Ms. Gray returns to the UK after 4 years of teaching Middle School and GCSE level English and A Level Media. She will be greatly missed for her strong opinions and good nature.

Ms. Fountain
"Make the most of the opportunities that come your way because the effort will pay off later." Ms. Fountain moves on to a brighter future after being at Saltus for three years.



Mr. Meyer
"It is not important to be better than someone else, just be better than yesterday." - Jigoro Kano (Founder of modern Judo)

Ms. Clarke
"You don't have to be the best, as long as you try your best." Ms. Clarke returns back to her home of the UK, though she'll be missed for her compassion, work ethic and the joy she brought to the PE department.

Ms. Smith
"Be realistic, demand the impossible." Ms. Smith returns home to UK from teaching Middle school and GCSE level Mathematics. She'll be missed for her fun joyful attitude.

Ms. Najdowski
"Think like a proton, be positive." Ms. Najdowski leaves Saltus after 3 years of teaching chemistry, combined GCSE science and Middle school sciences, causing her students to work hard and push themselves.

Ms. Arthur
Ms. Arthur returns back to her home in the UK after giving music lessons and being in charge of the senior choir. She'll be missed for her fun and joyous attitude and great teaching.

Mr. Boardman in 1991

A Fond Farewell: 31 Long Years at Saltus

Known for his crazy neckties and colourful whit, Mr. Boardman has been there for it all. Interviewed by SGY 1 student Lila Hilverding, Mr. Boardman tells all in the following account (transcribed by Rianna Simons)

Alan Boardman began his teaching at here at Saltus in 1985, the same year that the first phone call was made in Britain and the year Michael Jordan was named the NBA's 'Rookie of the Year'. In other words, Mr. Boardman began teaching at the dawn of time.

Lila Hilverding: So, Mr. Boardman, what's been your favourite memory of Saltus?

Alan Boardman: I don't know if I have a favourite memory. School trips like the Costa Rica trip, ski trips, some of the classes, some of the individual successes; its hard to differentiate and pick just one out and say that that was the best.

LH: Cool, what responsibilities have you had or what clubs were you in charge of?

AB: Well...I've coached football, cricket, I was the first ever female…no that would be wrong: I'm not a female basketball coach...I was the first coach of the girls basketball team. I used to paint the drama sets, I was head of house (obviously). Just sort of generally helping out if required.

LH: Okay, so what next? What are you going to go do in the future?

AB: Spend money and enjoy myself, travel mainly…yeah, and experience different cultures, like *Star Trek*.

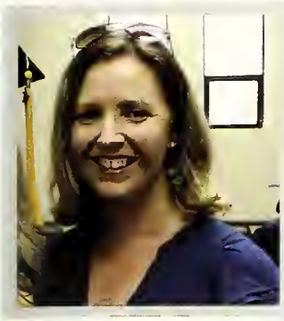
LH: So what piece of advice or quote do you want to leave Saltus with?

AB: That's a difficult one...I think that that really old adage is a good one, never die wondering.

LH: Anything else you want to add, any 'thank you's to your favorite students or 'shout out's?

AB: No, I mean, I've just had a great time here so I've worked with some really good people, worked with some really nice people, taught some really nice people and taught some not so really nice people. All together on balance it's been great.

Mr. Boardman is (as many of us know) a Blackpool native, the resident of a small seaside area in the North West of the United Kingdom. He's an avid flyer, travelling to places all over the globe such as: Thailand, the United Arab Emirates and Costa Rica when he gets the chance (Mr. Boardman says "I've enjoyed all of my trips for varying reasons so would loath to actually rank them"). He plans to spend his reitrement in the Pyrenees doing what he does best: sit back, relax, and listen to the Beatles. (when questioned about his favourite three Beatle songs, Mr. Boardman replied "That's tough, but a very good question...") The students and staff here at Saltus wish him all the best .



From the Advisor's Desk...

What an exciting year! If you were living in Bermuda during 2016-2017, we were all swept up with America's Cup fever! And here at Saltus, thanks to all of our AC children from almost all the teams competing, we got to experience all it had to offer and more! Of course all good things must come to an end, and we had to wish those students bon voyage and wish them the best of luck as they move on to their next adventure, wherever it may take them. We hope you will hold Saltus in your hearts and memories for a long time to come.

As I said farewell to my SGY 2 Graduates whom I have had the pleasure of not only teaching but guiding for the last two years, I try to remember what it was like when I was in their shoes so, so long ago. The excitement of what was to come was almost too much to think about, but knowing everything lays in front for you to explore and experience, I am reminded why my parents told me "these will be the best years of your life!" I wish ALL the class of 2017 the very best, and hope you will come back often to visit and tell us about all your adventures!

Amongst these pages are the memories that we have tried to chronicle for all, so we can be reminded of all that has happened, even when this book and this year becomes dusty on a shelf. As I just attended my High School Reunion recently, I can tell you the Yearbook was our first reference of choice!

I want to say a special goodbye to Alan Boardman. Whilst I am sure he will be pleased with his personal page adjacent, I wanted to add my personal thanks and farewell. I had not only the privilege of being taught by Alan, but working with him for twenty years. Thanks for the laughs, political debates, but most importantly American football recaps! GO Broncos!! Alan, I wish you bon voyage and well deserved rest!

As many know, this book would not be possible without the tireless work of Cynthia Barnes, who single handedly makes sure that every event is photographed here at Saltus. We would have no Yearbook without her. I am sad to see her retire, but very happy she will still be around part time to document all our events next year. Cynthia, I could not do this book without you!

Finally, a farewell and thanks to my Senior Editor Thomas Penruddocke. As he leaves us to start the next chapter of his Education in Wales, we all wish him well and hope he has many adventures.

As always, it is a privilege to be allowed to document all that is done at our school. I hope you will enjoy the hard work of our yearbook staff and you will be touched by the memories we have captured.

Fiona Murdoch
Yearbook Adviser 2017

The 2017 edition of The Martlet was printed by Jostens Yearbooks of Clarksville, TN. The wonderful yearbook staff created 196 full color pages on 100% gloss paper.

As it has been for many years, the Martlet was produced using the Jostens Yearbook Avenue and Yeartech Online programs, without them, the Martlet would still be produced by hand! This year, the Martlet would like to thank, Cynthia Barnes, Adrianna Penrudducke, Olivia Washington and Gisele Concepcion for photography. We'd also like to thank the yearbook staff: Jordan Davies, Jewell Cumberbatch, Jaylen Simons, Rianna Simons, Lila Hilverding and Adeline Young for all their work during the school and summer period. Without the efforts of all, the yearbook would not be as polished as it is now. However, we do apologize for any mistakes. Our yearbook is a student produced publication and therefore to expect a perfect and flawless yearbook would be unrealistic. As you can imagine, we, here at the Martlet, are always disappointed to find our mistakes, but please know that we never intend to be malicious or hateful and that mistakes do happen as things fall through the cracks.

The yearbook unfortunately will be losing some of it's core members this year; students/Junior Editors Jaylen and Rianna Simons, Senior Editor Thomas Penrudducke and the wonderful Cynthia Barnes. All of us from the Yearbook staff wish Mrs. Barnes the best in her retirement (we hope that it's much more relaxing than being at school!) and Thomas, Jaylen and Rianna the best with their further education.

To finally conclude, it is due to the efforts of the yearbook commitee, along with the lovely and talented Mrs. Barnes and Mrs. Murdoch that this book even exsists at all.

Yearbook Staff 2017
